Hot Chip, How Do You Do?

How do you do it? You make me want to live again How do you do it? You make me want to live again

When you wake me in the morning That is my favorite thing The party is so warming As a strikes a chord upon my skin Now, you sing in the evening With the voice that's bouncing like a spring A heart is not for breaking It's for beating out all the life it needs to begin It's for beating out all the life it needs to begin

How do you do it? You make me want to live again How do you do it? You make me want to live again

Have we taken all we're good for? Have we registered our love in vain? A church is not for praying It's for celebrating the life that bleeds through the pain (It's for celebrating the life that bleeds through the pain) It's for celebrating the life that shines through your veins (It's for celebrating the life that shines through your veins) It's for celebrating the life that shines through the pain

How do you do it? You make me want to live again How do you do it? You make me want to live again /2x
