Hot Hot Heat, Good Day To Die

I woke up wrong this morning No reason why Los Angeles is pouring and Im like any guy Sophisticated ladies Ive never known So many little babies stuck without a home

Its a good day to die so come knock me over Say goodbye Its a good day to die

I get a hold of something
Cant let it go
And if it leads to nothing
Well, at least I know
The weatherman he told me its getting cold
Now its the same old story
Pockets filled with gold

Its a good day to die so come knock me over Say goodbye Ill be on my way Its a tumble and tide pulling me under So turn out the lights Its a good day to...

I get a hold of something Cant let it go And if it leads to nothing Well, at least I know Well, at least I know

Its a good day to die so come knock me over Say goodbye Ill be on my way Its a tumble and tide pulling me under So turn out the lights Its a good day to...
