Howard Jones, New Song (New Version)

I've been waiting for so long
To come here now and sing this song
Don't be fooled by what you see
Don't be fooled by what you hear

This is a song to all of my friends They take the challenge to their hearts Challenging preconceived ideas Saying goodbye to long standing fears

Don't crack up, Bend your brain, See both sides, Throw off your mental chains

I don't wanna be hip and cool I don't wanna play by the rules Not under the thumb of the cynical few Or laden down by the doom crew

Don't crack up, Bend your brain, See both sides, Throw off your mental chains

Don't crack up, Bend your brain, See both sides, Throw off your mental chains

I've been waiting for so long
To come here now and sing this song
Don't be fooled by what you see
Don't be fooled by what you hear

This is a song to all of my friends They take the challenge to their hearts Challenging preconceived ideas Saying goodbye to long standing fears

Don't crack up, Bend your brain, See both sides, Throw off your mental chains
