

Howard Jones, What Is Love

I love you whether or not you love mine
I love you even if you think that I dont
sometimes you doubt my love to you but I dont mind
what should I mind, what should I mind?

Refrain:

What is love, anyway does anybody love anybody anyway 2x
Can anybody love anyone so much that they will never fear

Never worry never be sad

the answer is they cannot love this much nobody can

this is why I dont mind you doubting

What is love.....

And maybe love is letting people be just what they want to be
the doors always must be left unlocked

To love when circumstance may lead someone away from you

And not to spend the time just doubting

What is love.....
