

HRVY, NEVERMIND

NEVER MINE
NEVER MINE
you were nwever mine
NEVER MINE

what a time
what a time
you were nwever mine
NEVER MINE

Flipping through my memories
Memories just make it hurt
I don't remembber leaning in
It was you first
Everything you're telling me
Telling me
You're half a heart
Running with the other half
Got a head staert

Bed is the empty in 50%
Overloaded with all the words
I iwsih i'd said but

NEVER MINE
NEVER MINE
you were nwever mine
NEVER MINE

what a time
what a time
you were nwever mine
NEVER MINE
