Hubee, Fading Like A Flower

In a time when the sun descends alone I ran a long long way from home To find a heart that's made of stone I will try, I just need a little time To get your face right out of my mind To see the world through different eyes

Every time I see you, oh I try to hide away But when we meet it seems I can't let go Every time you leave the room I feel I'm fading like a flower

Tell me why
When I scream there's no reply
When I reach out there's nothing to find
When I sleep I break down and cry

Every time I see you, oh I try to hide away But when we meet it seems I can't let go Every time you leave the room I feel I'm fading like a flower

Fading like a rose
Fading like a rose
Beaten by the storm
Talkin' to myself
Gettin' washed by the rain
It's such a cold cold town
