

# Huey Lewis & The News, So Little Kindness

I can't believe it, after so long  
How can the memories really be gone?  
Now, I don't deny it's over  
But why must you be so cold?  
I can't believe it  
So little kindness  
Yeah baby, that's too bad

I saw you this evening out on the town  
You went outta your way just to put me down  
Now, why got this chip on your shoulder?  
When I don't even love you no more  
I can't believe it

So little kindness  
Baby, it's sad  
'Cause we can't even talk about anything  
After what we once had  
So Little Kindness  
Baby, that's too bad  
So sad, so sad

Don't worry, baby  
I'm not gonna stand in your way  
Now that it's gone  
Our love is strong  
No matter what you say

So little kindness  
You're so blind  
That you can't even recognize a real thing  
When it was yours and mine  
So little kindness  
after all this time

So little kindness  
Baby, it's sad  
'Cause we can't even talk about the little things  
After the love we had  
So little kindness  
So little kindness  
So little kindness  
I'm looking for some kindness  
I need some kindness  
Give me some kindness
