

# Hughes Turner Project, Sister Midnight

[Hughes/Turner/Marsh]

Night after night, you're out on the street  
Just like a stray cat on the prowl  
Down in the neon, the hustle and the heat  
You got a need to fill somehow

Do you wanna be free, tell me how do you see  
You're outta sight, outta mind  
Do you feel the same, or are you hiding your pain  
You're dying to feel so alive  
Are you living it up - Sister Midnight

Taking your chances, checking off your list  
You always say your life is justified  
Never stop looking, to see what you missed  
Trying to fill that empty hole inside

Do you wanna be free, tell me how do you see  
You're outta touch, outta time  
Now I know your name, are you lost in your shame  
Don't you know you are living a lie  
Are you living it up - Sister Midnight

Ooh, I'm waiting for the heartache  
Ooh, I'm waiting for the day  
That you finally see  
See what you're doing to me

Are you living it up - Sister Midnight  
Are you giving it up - Sister Midnight
