

# Hunter, Fallen

I can cry when You let me cry...  
Even die when I see Your li(f)e...  
I can fall to save Your heaven...

Can not sleep when I see Your dreams...  
But I can fade out eternal light...  
I can fall to save Your heaven...

I'm fallin' down...  
I've lost my faith...  
I'm fallin down...  
When I die all the angels fade away...  
I'm fallin' down...  
I've lost my faith...  
I'm fallin down...

I see the cross over fields of blood...  
Look around - endless sea of hate...  
Silence...  
Seven songs of darkness...

I can cry when You let me cry...  
Even die when I see Your li(f)e...  
Even die!!!  
Just to save Your heaven!!!

I'm fallin' down...  
I've lost my faith...  
I'm fallin down...  
When I die all the angels fade away...  
I'm fallin' down...  
I've lost my faith...  
I'm fallin down...
