

# Huntingtons, Oh Oh I Love Her So

i met her at the burger king  
we fell in love by the soda machine  
so we took the car downtown  
the kids were hanging out all around

then we went down to coney island  
on the coaster and around again  
and no one's gonna ever tear us apart  
'cause she's my sweetheart

all night oh yeah

oh oh i love her so

hanging out on a night like this  
i gonna give her a great big kiss  
i'm gonna make her mine  
and everything's gonna be real fine
