

# Huntingtons, We Don't Care

mom's yellin' get a job  
dad's callin' me a slob  
but i don't wanna work  
for no minimum wage  
i was late for class again  
teacher gave me detention  
and she said boy you better  
start actin' your age

i wake up every single day  
tryin' to think up a way  
to get through  
without gettin' pushed around by you

and i say woh-oh-oh-oh  
and you say woh-oh-oh-oh  
and we just don't care about that anyway  
woh-oh-oh-oh

all the jocks think i'm a geek  
they beat me up 3 times a week  
and i couldn't get a girl to save my life  
my neighbor says i got no taste  
he thinks that my whole life is a waste  
this comin' from a guy that beats his wife

parents are thinkin'  
rehabilitation  
principal wants to send me  
on a long vacation  
but they don't know about me  
it's more than what they see  
i'm not a teenage sickie  
i know that 1 and 1 is not 3
