

Hurriganes, Hey Bo Diddley

Hey groupie wont you take my hand
Ill show you where heaven stand
Its just like they did on the movies a street
Its just like they did oh
When the Lily was Queen
Dont you know i can show you how
Lily took that old mans proud
She took him to a place called Isd
She took him to die
Baby cant you see
Oh Lily
Come on darling let me try
Just a little rocking while
Come on rolling in the rag
Im rolling, im bowling
If your not around
