

# Hurt, Falls Apart

I messed up again when I tried  
You spend all your money then die  
And, oh! By the way.  
With all you did nothing has changed  
So lie like a waste by the side  
As everything just falls apart  
'Cause everything just fell apart for me

I cracked my head and broke my  
I cracked my head and broke my  
I cracked my head and broke my heart

And I don't feel the need to go on  
I was happier singing along the way  
I had things, I needed to say  
But now its like a swallowed tape  
That holds up my face from inside

'as everything just falls apart  
'Cause everything just fell apart for me

I cracked my head and broke my  
I cracked my head and broke my  
I cracked my head and broke my heart

So woe is me  
Oh woe is me, yeah  
Woe is me  
It all fell apart

I cracked my head and broke my  
I cracked my head and broke my  
I cracked my head and broke my...heart

And the hell of it is what we are  
We finish and wish we could start again  
Our skin tears away as our memories fade with age  
And we don't even know 'til its gone...  
But everything just fell apart  
'Cause everything just falls apart for me

I cracked my head and broke my  
I cracked my head and broke my  
I cracked my head and broke my heart

So woe is me  
It all falls apart you see  
So woe is me  
It all fell apart

I cracked my head and broke my  
I cracked my head and broke my  
I cracked my head and broke my heart

Everything just comes down  
It falls around me cause, well...  
Everything just falls uhhhh...

So woe is me  
It all falls apart you see  
So woe is me  
It all fell apart

But I cracked my head and broke my

I cracked my head and broke my  
Everything just falls a...
