

# Hurts, Evelyn

I don't mind,  
If your hand's a little cold.  
Cause I'm alive,  
But I got nowhere to go.

So stay with me Evelyn.  
Don't leave me with the medicine.

In the night  
As you sit and watch me sleep  
I know you cry  
But I never want to see.  
So if you go  
I don't know what to do.  
So don't you go  
Cause I've got no one but you.

So stay with me Evelyn.  
Don't leave me with the medicine. [x2]

I see the lights  
Casting shadows on my screen.  
And I don't mind  
The lullabies from the machines.  
But if you go  
I don't know what I'll do.  
So don't you go  
Cause I've got no one but you.

So stay with me Evelyn.  
Don't leave me with the medicine. [x2]

I'm more afraid than I've ever been,  
So stay with me Evelyn.
