

Iceage, Catch It

Reeling in the line
fully saccharine all these stagnant words which I confide
perish in the night
anyway no
here we go again
always faintly preying
did I note a tremble on your arm
there upon alarmed
just give in

make me real
you reel in then you catch it
catch it /5x
come make me real
you reel in then you catch it
catch it /5x

time moves forward quickly
moves in 24 hours segments
racing for a soul to grab chokehold
of the minute hands
left without a trace
just fleeting face
flicker as a fragment once before my eyes
perished in the night

you want it /3x
again
why don't you come and ask me?
oh adore you my friend
I said you need it /3x
again
trust me
this arbitrary thrills will never fail to transcend

make me real
you reel in then you catch it
catch it /5x
come make me real
you reel in then you
