

# Idiot Pilot, Good Luck

Luck out you might  
But don't rest on it  
Find out you like  
Separating hairs from skin

If struggle operates  
As a driving force  
Then where's the hope I'm fighting for?  
If struggle operates  
As a driving force  
Then why's the cart before the horse?

Stuck in your mind  
You placed all your bets  
Find out you like  
Separating hairs from skin

If struggle operates  
As a driving force  
Then where's the hope I'm fighting for?  
If struggle operates  
As a driving force  
Then why's the cart before the horse?

If struggle operates  
As a driving force  
Then why's the cart before the horse?
