

Ifi Ude, CONSTANT LOVE

So many times we said goodbye
Now I wanna be so fine. You should still be mine
But so many lies between us I let you down once again
Today I dreamt you're still with me saying: bay bay my love, bay bay my love
Believing I'm not like a man whom I used to be
All the stuff which may have been, driving me crazy
Still I'd rather be with you any time, you want me to be, baby
And all these days, and all these years- I'll be here waiting for you to come back.
