

Ilse DeLange, You Are The Dream

I live my life, convinced i find your love somehow, somewhere.
I held on to the faith that you would show yourself one day.
Something in me believed, this night was meant to be.

(Chorus)

You are the promise
I made to my heart
You are the vision
I saw in the dark
You are the reason
I've waited so patiently
So many nights when i closed my eyes
It's you that i've seen
I am the dreamer
You are the dream.
It wasn't always clear to see
where i was headed too
But of all life's roles
Somehow i chose the one that led to you
Thousands matter how far i've been
I've found my journey's end

(Chorus)

Ooh I am the dreamer
You are the dream.
