

# Imagine Dragons, All For You

I get caught in the water  
I get torn in the wind  
I could drown in the river  
While the sun burns down

I get tossed by the ocean  
Fall deep in the sand  
I'm drowned out by the thunder  
Lost in a laugh

Is anyone listening?  
Is anyone around to see

That I'm doing it all for you  
I'm doing it all for you  
I'm ready to go  
I'm ready to go  
I'm doing it all for you  
I'm doing it all for you  
I'm ready to go  
I'm ready to go

Twenty five seconds  
Your heart will stop resting  
Your body start shaking  
Your mind is now ready to go  
Ready to go

Twenty five seconds  
Your heart will stop resting  
Your body start shaking  
Your mind is now ready to go  
Ready to go

I said  
Twenty five seconds  
Your heart will stop resting  
Your body start shaking  
Your mind is now ready to go  
Ready to go
