

# Imagine Dragons, Birds (ft. Elisa)

Two hearts, one valve  
Pumpin' the blood, we were the flood  
We were the body and  
Two lives, one life  
Stickin' it out, lettin' you down  
Makin' it right

Seasons, they will change  
Life will make you grow  
Dreams will make you cry, cry, cry  
Everything is temporary  
Everything will slide  
Love will never die, die, die

I know that  
Ooh, birds fly in every direction  
Ooh, I hope to see you again

Sunsets, sunrises  
Livin' the dream, watchin' the leaves  
Changin' the seasons  
Some nights I think of you  
Relivin' the past, wishin' it'd last  
Wishin' and dreamin'

Seasons, they will change  
Life will make you grow  
Death can make you hard, hard, hard  
Everything is temporary  
Everything will slide  
Love will never die, die, die

I know that  
Ooh, birds fly in every  
direction  
Ooh, I hope to see you again  
Ooh, birds fly in every direction  
Ooh, so fly high, so fly high

When the moon is lookin' down  
Shine that light up for your ground  
I'm flyin' up to let you see  
That the shadow cast is me

I know that  
Ooh, birds fly in different direction  
Ooh, I hope to see you again  
Ooh, birds fly in every direction  
Ooh, so fly high, so fly high  
Ooh, so fly high, so fly high  
Ooh, so fly high, so fly high
