

Imagine Dragons, Continual (feat. Cory Henry)

Take my word
I promise you I'll come through
Take my word
I promise you I'll be true

I'm there for you
I'm there for you
I'm there for you
I promise you I'll come through
I'm your continual truth

Speak no lies
I just wanna hear the truth
I'm done with all the miracles
Except for you
Is it my fault
If I'm something of a skeptic?
I've been burned before
Except by you

So my take my word
I promise you I'll come through (Promise you I'll come)
Yeah, take my word
I promise you I'll be true

I'm there for you
I'm there for you
I'm there for you
I promise you I'll come through
I'm your continual truth (Continual truth)

Do, pray, tell
Of the beauty that inspires you
It's something of a miracle
When you do what you do
Give me faith again (Faith)
Give me all the answers
I'll follow you blindly
Pray you don't deceive me

So take my word (Take my word)
I promise you I'll come through (Promise you I'll be)
Take my word (Take my word)
I promise you I'll be true

I'm there for you (There for you)
I'm there for you (There for you)
I'm there for you (There for you)
I'm there for you (There for you)
I'm there for you (There for you)
I'm there for you (There for you)
I'm there for you (There for you)
I'm there for you (There for you)

I'm there for you
I promise you I'll come through
I'm your continual truth
