

# Imagine Dragons, Cool Out

Cool out, cool out

Just before I go  
Yes I know that I'm losing control and  
I want to take things slow put my mind in cruise control  
I know I'm always pacing  
And I blame it on the pressure I'm facing  
I wanna take things slow put my mind in cruse control

I'm standing on your front porch saying "don't go"  
You're lookin' at me wild saying "Just go home" and

Cool out, 'cause baby I don't think I'm the one for you  
Just cool out, 'cause baby I don't think I'm the one for you  
So cool out, stay high, stay fresh play nice  
And just cool out, 'cause baby I don't think I'm the one for you  
So cool out

You're always saying that you read my sign and  
Always wishing that I take the time but  
You know that's not my speed  
Only believe what I can see  
I live my life in black and white  
I know that's not what you would like  
That's all I know, I put my mind in cruise control

I'm standing on your front porch saying "don't go"  
You're lookin' at me wild saying "Just go home" and

Cool out, 'cause baby I don't think I'm the one for you  
Just cool out, 'cause baby I don't think I'm the one for you, so  
Cool out, stay high, stay fres, play nice  
And just cool out, 'cause baby I don't think I'm the one for you  
So cool out

All the things that you detest in me  
They keep you coming back for more you see  
We make each other get a bit crazy  
But you'll always be a part of me

Cool out, 'cause baby I don't think I'm the one for you  
Just cool out, 'cause baby I don't think I'm the one for you, so  
Cool out, stay high, stay fresh, play nice  
And just cool out, 'cause baby I don't think I'm the one for you  
So cool out

Cool out, cool out
