

# Imagine Dragons, Curtain Call

It's a, a strange thing, just a miracle dream  
To be at peace with a fling,  
We defy more than crushes  
And move past more than just  
Lust to feeling deep inside  
Crying out for my trust

It's undescribably pushing in my mind  
With some certainty inside  
I want a love that's uncertain  
Beyond a doubt I wanna shout it out  
I will shout it out to the world

To find a woman with certainty  
Be my whole life in earning  
And my baby, what's burning,  
Discerning, it comes from the heart  
That the mind in the eyes,  
A dark curtain containing  
Capable collisions of hearts

Here we go, you and I  
I am me, and you are mine  
I'ma sing it out, I play it loud  
At the curtain call, baby take a bow, oh  
Who knew what we all want  
Is just a simple situation  
I'ma follow my heart, it's lead me well,  
Well I'm here with you today

When I first met you I was so short of breath  
I stared like a child who was faking his death  
You smiled and I laughed  
And you were asking some questions  
But baby all I was thinking  
Was take your first kissing lesson

Blessing seemed to be point  
But right at the start  
You search deep down inside  
And know to follow your heart  
I followed this path, it's leading to you  
I've arrived at X baby tell me what to do

Here we go, you and I  
I am me, and you are mine  
I'ma sing it out, I play it loud  
At the curtain call, baby take a bow, oh  
Who knew what we all want  
Is just a simple situation  
I'ma follow my heart, it's lead me well,
