

Imagine Dragons, Easy Come Easy Go

All my firends are gone
I don't balme them
I guess, i move on to the same thing
So i wrote the song
To be my lullaby
Sing me to sleep at night
Open my therd eye

I am not gonna lie to you
I miss you so much
Tell me what did i wrong to lose touch
I am not gonna lie to you
This is been a hard year
How i wish you were here

I just need to let it go
Waiting on a miracle
Guess its just the way goes
Easy Come Easy Go
Guess its just the way goes
Easy Come Easy Go
