

Imagine Dragons, I Love You All The Time

I'm never alone, I look at my phone
If I call you up, you're never at home

I love you all the time

I'm fueled up and high, I'm out with the guys
A smile on my face, no reason to cry

I love you all the time

I can tell by that look in your eyes
Kind of look that roams around and sees another guys
I can tell you're gonna take your love away

I can tell by that look in your eye
Kind of look that roams around and sees another guys
I would beg you if I thought it would make you stay

Ce soir c'est le soir et toi avec moi
Et tu viens me voir, tu viens ouh la la

I love you all the time

Tu me réponds pas, ah dis-moi pourquoi
This ain't au revoir, together voilà

I love you all the time

I can tell by that look in your eye
Kind of look that roams around and sees another guys
I can tell you're gonna take your love away

I can tell by that look in your eye
Kind of look that roams around and sees another guys
I would beg if I thought it would make you stay

Ah dis-moi pourquoi
Ah dis-moi pourquoi
Ah dis-moi pourquoi
