

# Imagine Dragons, I'm Happy

What's wrong with me?  
Is there somebody else inside my head  
That doesn't want me to be happy?  
I know my rights, I live until I die  
I've got this bed, each night I go to sleep and dream  
I'm swimmin' in the deep end  
You're my buoy and I'm sinkin'  
Life flies by me but I'm thinkin'  
You saved my life and now

I'm happy  
'Cause finally I feel I got it all  
Started out with nothing at all  
And even when I might fall down  
I know my luck come back around

They tellin' me that I should love myself  
Sometimes I fail, but then you hit me like a whiplash  
Yellin' in my corner  
She's a wild one, yes I should warn ya  
Life flies by me every morning  
You saved my life and now

I'm happy  
'Cause finally I feel I got it all  
Started out with nothing at all  
And even when I might fall down  
I know my luck come back around

They tell me to write a paragraph of everything I-  
Love about me  
Write a paragraph and send it in the mail  
To a future me, that's trying desperately  
To start a family  
Teach them to love themselves  
Teach them to love themselves  
Teach them to love themselves

I'm happy  
'Cause finally I feel I got it all  
Started out with nothing at all  
And even when I might fall down  
I know my luck come back around

I'm happy  
'Cause finally I feel I got it all  
Started out with nothing at all  
And even when I might fall down  
I know my luck come back around

(Happy, happy, happy, happy)  
(Happy, happy, happy, happy)
