

# Imagine Dragons, It Comes Back To You

4AM beside myself  
What I think of mental health  
All the things that worry me  
All the things you don't believe

I've been told just what to do  
Where to look and point my view  
All the things that I could be  
I think I learned in therapy

Am I just a shadow you drew?

It comes back to you  
It comes back to you  
All the things that you had lost will find their way to you  
It comes back to you  
It comes back to you  
Looking back into the past and i can see it through  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh

It comes back to you woah  
It comes back to you woah  
It comes back to you woah  
It comes back to you

Mocking birds and diamond rings  
I have thought of greater things  
All the things that fly by me  
All the lives that I could lead

Maybe I was born for that  
Or maybe I was first the last  
You could call it cowardess  
But leave me to my studied bliss

Am I just a shadow you drew?

It comes back to you  
It comes back to you  
All the things that you had lost will find their way to you  
It comes back to you  
It comes back to you  
Looking back into the past and i can see it through  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh

It comes back to you woah  
It comes back to you woah  
It comes back to you woah  
It comes back to you
