

# Imagine Dragons, Nothing Left To Say (Art Film)

Who knows how long  
I've been awake now?  
The shadows on my wall don't sleep  
They keep calling me, beckoning

Who knows what's right?  
The lines keep getting thinner  
My age has never made me wise  
But I keep pushing on and on and on and on

There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now  
There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now

Below my soul  
I feel an engine  
Collapsing as it sees the pain  
If I could only shut it out

I've come too far  
To see the end now  
Even if my way is wrong  
I keep pushing on and on and on and on

There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now  
There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now

I keep falling, I keep falling down  
I keep falling, I keep falling down  
I keep falling, I keep falling down  
I keep falling, I keep falling down

If you could only save me  
I'm drowning in the waters of my soul

There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now  
There's nothing left to say now  
There's nothing left to say now  
I'm giving up, giving up, giving up now  
I'm giving up, giving up, giving up now
