

# Imagine Dragons, Peace Of Mind

I had a dream that I lost everything (Everything)  
All that I'd worked for was gone  
Goodness me (Goodness me)  
But I felt the same as I do right now  
Everything is meaningless  
At least that's how it feels  
Feels real bad

Try as I might  
I can't get no peace of mind  
I try every time  
But can't get no peace of mind (Mind)

I've got so much to be happy about (Happy about)  
I'm always focused on things that amount to nothing  
Yeah, I think I'm a little depressed (Depressed, depressed)  
Everything is meaningless  
At least that's how it feels  
Feels real bad

Try as I might  
I can't get no peace of mind  
I try every time  
But can't get no peace of mind (Mind)  
No peace of mind  
Try as I might  
I can't get no peace of mind (Mind)

But then you came into my life  
You made me laugh for the first time  
In a real long while

Try as I might  
I can't get no peace of mind  
I try every time  
But can't get no peace of mind (Mind)  
No peace of mind (Peace of mind)  
Try as I might  
I can't get no peace of mind (Peace of mind)

Do, do-do-do  
Do-do-do-do-do-do-do  
Do, do-do-do  
Do-do-do-do-do-do-do
