Imagine Dragons, Release

twenty miles from anyone set my sights on the setting sun heaven talks but not to me cause heaven knows that nothing good comes free desolation tragedy is there nothing good in me (x4) I've let me down down down (x2)

petty lies to everyone in the hopes that I could be someone heaven talks but not to me and now I wonder if it's meant to be desolation tragedy is there nothing good in me (x4) I've let me down down down (x4)

but I'll take your word
cause after all you've never lied
oh not at all
but look at me
oh what a mess
I get caught up in the things that matter the least
oh let me have release
I've let me down down down (x4)
