

Imagine Dragons, Shots

I'm sorry for everything
Oh everything I've done

Am I out of touch
Am I out of my place when I keep saying that I'm looking for an empty space
Oh I'm wishing you're here but I'm wishing you're gone
I can't help you and I'm only gonna do you wrong

Oh I'm going to mess this up
Oh this is just my luck
Over and over and over again

I'm sorry for everything
Oh everything I've done
From the second that I was born
It seems I had a loaded gun
And then I shot, shot, shot a hole through
Everything I loved
Oh I shot, shot, shot a hole through every single
Thing that I loved

Am I out of luck
Am I waiting to break
When I keep saying that I'm looking for a way to escape
Oh I'm wishing I had what I'd taken for granted
I can't help you when I'm only gonna do you wrong

I'm going to mess this up
oh this is just my luck
over and over and over again

I'm sorry for everything
oh everything I've done
from the second that I was born
it seems I had a loaded gun
And then I shot shot shot a hole through
everything I love
Do I shot shot shot a hole through every single
thing that I loved

In the meantime can we let it go
At the roadside that
We used to know
We can let this drift away
Oh we let this drift away
At the bayside
Where you used to show
In the moonlight
Where we let it go
We can let this drift away
Oh we let this drift away

And there's always time to change your mind
Oh there's always time to change your mind
Oh love, can you hear me
Oh let it drift away

I'm sorry for everything
oh everything I've done
from the second that I was born
it seems I had a loaded gun
And then I shot shot shot a hole through
everything I love
Do I shot shot shot a hole through every single

thing that I loved

In the meantime can we let it go
at the road side that
we used to know
We can let this drift away
We let this drift away
at the bayside
where you used to show
in the moon light
Where we let it go
we can let this drift away
Oh we let this drift away

And there's always time to change your mind
Oh there's always time to change your mind
Oh love can you hear me
Oh let it drift away
