

# Imagine Dragons, Take It Easy

Last week, I came to you  
I didn't know what to do  
Yeah, man sometimes I lie  
But sometimes I can tell the truth  
I want my money back  
Life's one big heart attack  
Yeah, man my throat is dry  
Someday everybody's gonna die

Take it easy on me  
I need some lullabies  
They tell me heaven's just a lie  
Well, I'm not surprised  
Tell me that you know, no, you don't  
Yeah, you're just like me  
Can't we just all hope for the best  
Take it easy

Money don't grow on trees  
I'm such a greedy thief  
Spend my life, I'm huntin'  
Keep drinkin' just to find relief  
My auntie's pretty cool  
She did real well in school  
But she still don't know  
Where we really go

Take it easy on me  
I need some lullabies  
They tell me heaven's just a lie  
Well, I'm not surprised  
Tell me that you know, no, you don't  
Yeah, you're just like me  
Can't we just all hope for the best  
Take it easy

Yeah, take it easy  
I don't wanna hear no more of that talk  
Not around here, come on

Take it easy on me  
I need some lullabies  
They tell me heaven's just a lie  
Well, I'm not surprised  
Tell me that you know, no, you don't  
Yeah, you're just like me  
Can't we just all hope for the best  
Take it easy  
Take it easy
