

# Imagine Dragons, The River

In the latest midnight hour  
When the world has gone to sleep  
You gotta get up  
When doubts begin to rise  
And the world is at your feet  
You gotta get up

Reach, It's not as bad as it seems  
I cleanse in the river for somebody else,  
For anyone but myself

I'm not a selfless man  
I'm not a man of wealth  
If I had all the world,  
Probably give it to myself  
But the trees begin to walk  
And the ground begins to talk  
And myself

Reach, It's not as bad as it seems  
I cleanse in the river for somebody else,  
For anyone but myself

Hold my place  
Don't you give up on me  
Hold on... Hold on

Reach, It's not as bad as it seems  
I cleanse in the river for somebody else,  
For anyone but myself

Reach, It's not as bad as it seems  
I cleanse in the river for somebody else,  
For anyone but myself
