

# Imagine Dragons, Thief

if only you  
you could see  
the darkest place that you could be  
oh maybe then you'd understand

from desert heat to cobbled streets  
from broken home to the city beat  
there's so much more than you could know

so take me back  
when I believed  
back when I was unafraid  
just like a thief  
and all the heights  
that I could reach  
back when I was unafraid  
just like a thief

if I could live a thousand times  
if I could make a thousand tries  
maybe then I'd get it right  
the more I see  
the more I know  
that everyone just wants a show  
no we don't want to see the truth

so take me back  
when I believed  
back when I was unafraid  
just like a thief  
and all the heights  
that I could reach  
back when I was unafraid  
just like a thief

when the stars look down on me  
what do they see  
(x5)

so take me back  
when I believed  
back when I was unafraid  
just like a thief  
and all the heights  
that I could reach  
back when I was unafraid  
just like a thief
