

# Imagine Dragons, Waves

Twenty-one years, she figured it out  
She started a job, she's feeling it out  
And for once it feels right  
Was feeling like the prime of her life  
But all of that is just a dream  
Shattered now and everything's changed  
With one car and one night  
Was driving through the prime of your life

Took your freedom, there's no reason  
Just keep breathing, time doesn't hear if you ask it to wait  
La-da-da-da-da, la-da-da-da-da  
So own all your tears and just roll with the waves  
La-da-da-da-da, la-da-da-da-da  
Life, it could change, it could change in a day  
La-da-da-da-da, la-da-da-da-da  
So cherish your years and just roll with the waves  
La-da-da-da-da, la-da-da-da-da  
Time doesn't hear so roll with the waves

Eleven years old, my only friend  
You'd taken me in, but where was I?  
When he took his life  
Oh, I was singing in the prime of my life

Where was I when you were calling?  
I can't go back, time doesn't hear if you ask it to wait  
La-da-da-da-da, la-da-da-da-da  
So own all your tears and just roll with the waves  
La-da-da-da-da, la-da-da-da-da  
Life it could change, it could change in a day  
La-da-da-da-da, la-da-da-da-da  
So cherish your years and just roll with the waves  
La-da-da-da-da, la-da-da-da-da  
Time doesn't hear so roll with the waves

Live in regret, or eye to the future?  
I'd rather be here, thinking about the now  
'Cause this breath could fade fast  
And this day could be your last

La-da-da-da-da, la-da-da-da-da  
So own all your tears and just roll with the waves  
La-da-da-da-da, la-da-da-da-da  
Life it could change, it could change in a day  
La-da-da-da-da, la-da-da-da-da  
So cherish your years and just roll with the waves  
La-da-da-da-da, la-da-da-da-da  
Time doesn't hear so roll with the waves

La-da-da-da-da, la-da-da-da-da  
La-da-da-da-da, la-da-da-da-da
