Imagine Dragons, Yesterday

Here's to my future Here's to my yesterday Here's to change Oh, here's to my yesterday No tomorrow without a yesterday Here's to my future Goodbye to yesterday

All these years I've been searching For who I'm supposed to be All this time I've been wasting 'Cause I was right in front of me

Oh, it's a crooked old tradition By a masterful magician But in the all this trouble I've met I haven't got one single regret, no

Here's to my future
Here's to my yesterday
Here's to change
Oh, here's to my yesterday
No tomorrow without a yesterday
Here's to my future
Goodbye to yesterday
Yesterday

Oh, I'm a hopeless crash collision 'Cause I'm a hostage to my pride By my own volition I've been a saint, i've been the truth, I've been the lie

Oh, it's a crooked old tradition By a masterful magician But in this all this trouble I've met I haven't got one single regret, no

Here's to my future
Here's to my yesterday
Here's to change
Oh, here's to my yesterday
No tomorrow without a yesterday
Here's to my future
Goodbye to yesterday
Yesterday

A new day you can go, you can do anything you wanna It's your play, swing low, go high Anywhere you wanna You can reach for the moon Anywhere your dreams could take you Go astray, fade away Just leave it to yesterday

Here's to my future
Here's to my yesterday
Here's to change
Oh, here's to my yesterday
No tomorrow without a yesterday
Here's to my future
Goodbye to yesterday
Yesterday
