

# Imany, Silver Lining (Clap Your Hands)

There's always a - Silver Lining  
Bless those who know what that is  
We think we need everything  
But the love's found in a wrong kind of dreams  
There's always time to ask for help  
There's always space to find your ways  
The times you're weak storms ahead  
Sometimes you hide or you run away

All Clap Your Hands  
All Clap Your Hands  
All Clap Your Hands  
GO Ahead, Clap Your Hands  
All Clap Your Hands  
All Clap Your Hands  
All Clap Your Hands  
Let GO, Clap Your Hands

Because we afraid of loosing  
We have lost, and we ...  
But there's always something to win  
The demon isn't hard as you make it seem  
There's always room to make mistakes  
There's always time to make ...  
There's no shame to ask for help  
There's always hop of helping hand

All Clap Your Hands  
All Clap Your Hands  
All Clap Your Hands  
GO Ahead, Clap Your Hands  
All Clap Your Hands  
All Clap Your Hands  
All Clap Your Hands  
Let GO, Clap Your Hands

Take your chance  
Take your chance  
Don't be scare to make a change
