

Imany, You Will Never Know

It breaks my heart 'couse I know
you're the one for me
Don't you feel sad,
there never was a story, obviously
it'll never be, oh

and You would never know
I would never show
What I feel, what I need from you, no
and You would never know
I would never show
What I feel, what I need from you

With every smile comes my reality, irony
You won't find out what has been killing me
Can't you see me?
can't you see?

and You would never know
I would never show
What I feel, what I need from you, no
and You would never know
I would never show
What I feel, what I need from you, no, no
You would never know
I would never show
What I feel, what I need from you, no, no

No no you'll never know
No no no you'll never know
No no no, love me, love me, love me, love me, no

and You would never know
I would never show
What I feel, what I need from you, no, no
You would never know
I would never show
What I feel, what I feel, what I feel
what I need, what I need from you, no
