In Grid, You promised me

You promised me

Just me and you

You promised me the moon and the

sun, the birds in the sky

You promised me a wonderful life, they were only lies

You promised me all diamonds and pearls that I never got

You promised me red roses and gold but soon you forgot

Chorus:

You promised me

Just me and you

You promised me I could be your queen and youd be my king

You promised me a white wedding dress, where is the ring?

You promised me your tender caress your kisses at night

So try to show it wasnt in vein coz Im wasting my time

Chorus:

You promised me

Just me and you

Tu Es Foutu

Tu tu tu tu tu tu

Tu Es Foutu

Tu tu tu tu tu tu

I dont know what to do with my life

But I know my rule is no second chance

You promised me

You promised me

You promised me

Chorus:

Tu Es Foutu

Tu tu tu tu tu tu

Tu Es Foutu

Tu tu tu tu tu tu

You promised me

Tu Es Foutu

You promised me

Tu Es Foutu.
