

In This Moment, As Above, So Below

I won't lie
It's quite tempting
Your handouts and your bones

I won't lie
They're quite empty
Your promises and your Stones

If you sell
They'll buy
Don't feel, just sign
If you sell
They'll buy
Don't think, stay behind

Sign on tedotted line
(Give me the control)
He whispered softly
(Give me the control)
You're crawling inside my mind
(Give me the control)
Don't you fight me
