

Indra, Gimme What's Real

(A. Forbes/Beatboxing)

Your eyes never lie
Boy I can read the news a mile away
When you fantasize
You see a girl who looks like me
You're just afraid of givin' it all away

Gimme what's real
Whatever you feel
I can take it
Gimme what's real
I know you know the deal

I dare you to care
Tell me the secrets you've been savin' up
You've got love to spare
I'm gonna feed you what you're cravin'
Now that I know (oooh now that I know)
When you're in love, it shows

Gimme what's real
Whatever you feel
I can take it
Gimme what's real
I know you know the deal
Gimme what's real, only what's real
Gimme what's real, only what's real

I like the way you hold me hold me
When you tell me that you love me love me
And everything was lovely-dovey
Cuz I had known for a long time
The feeling was strong and I had it goin' on
If passion is the passion
I'm stunning, my passion was flashin'
Now my heart's got me runnin'
Cuz we can never be, that's a no no
Before you go go, remember I'm solo

Gimme what's real
Whatever you feel
I can take it
Gimme what's real
I know you know the deal

You've got to gimme what's real
Whatever you feel
I can take it
Gimme what's real
I know you know the deal
Gimme what's real, only what's real

Shadows on the wall, they don't fool me at all
Nothing but the truth, that's all I want from you boy
Shadows on the wall (shadows on the wall)
They don't fool me at all (they don't foll me at all)
Nothing but the truth, that's all I want from you boy
Shadows on the wall (shadows on the wall)
They don't fool me at all (they don't foll me at all)
Nothing but the truth, that's all I want from you boy
That's all I want from you, you, you, you
That's all I want from you
That's all I want from you, you, you, you

That's all I want from you

That's all I want from you, you, you, you, you...
