

# Indra, Tell Me

(Indra/J.P. Nabet/M. Zhade)

Tell me where are your feelings (tell me, tell me)  
I send you all of my love (wanna be loved by you)  
Tell me where are your feelings (tell me, tell me)  
I send you all of my love (tell me, tell me)

Hey boy, give me your affection  
Wasting time, 'cause you're loosin' my direction  
Hey sweet lovely candy  
I wanna be with you  
I think you feel it too  
I know you're a tough guy  
I love all things you do  
Not really all, that's true

I'm singing 'lalala'  
I don't know why, oh why  
I must be crazy boy  
I'm not a lazy toy  
I'm singing 'lalala'  
I don't know why, oh why  
I must be crazy boy  
I'm just so in love with you

Tell me where are your feelings (tell me, tell me)  
I send you all of my love (wanna be loved by you)  
Tell me where are your feelings (tell me, tell me)  
I send you all of my love (tell me, tell me)

Jealous, no I don't wanna be this  
Ya make me hang around for a kiss  
Boom, crash, it's over  
I can't believe it now  
He went away somehow  
Lifetime is goodtime  
He's jammin' in the street  
He's movin' on his feet

He's singing 'lalala'  
He must be happy now  
You must be crazy boy  
You're not a lazy toy  
He's singing 'lalala'  
He must be happy now  
You must be crazy boy  
I'm just so in love with you

Tell me where are your feelings (tell me, tell me)  
I send you all of my love (wanna be loved by you)  
Tell me where are your feelings (tell me, tell me)  
I send you all of my love (tell me, tell me)

(I wanna be) I wanna be loved  
(Wanna be loved by you) wanna be loved by you  
(I wanna be) I wanna be loved  
(Wanna be loved by you, wanna be loved by you)

I'm singing 'lalala'  
I don't know why, oh why  
I must be crazy boy  
I'm not a lazy toy  
I'm singing 'lalala'  
I don't know why, oh why

I must be crazy boy  
I'm just so in love with you

Tell me where are your feelings (tell me, tell me)  
I send you all of my love (wanna be loved by you)  
Tell me where are your feelings (tell me, tell me)  
I send you all of my love (tell me, tell me)

I'm tellin' you friend there making up your mind  
You better do that to make you feel fine 'cause  
L.A.C.K. of your male courage  
Life is short like a daila heaven  
Think about your life 'cause there's no seven  
Proneness is weakness : a damned stupid game  
Look at the daylight, we're all the same  
I will take a chance  
I will see you dance  
I will make you move  
'Cause I like your groove  
So do it

Tell me where are your feelings (tell me, tell me)  
I send you all of my love (wanna be loved by you)  
Tell me where are your feelings (tell me, tell me)  
I send you all of my love (tell me, tell me)

Tell me where are your feelings (tell me, tell me)  
I send you all of my love (wanna be loved by you)  
Tell me where are your feelings (tell me, tell me)  
I send you all of my love...
