

Inna, Always On My Mind

I swear I've been down this street before
I recognise all of the red lights (the red lights)
Why I keep on coming back for more
I don't know why I do this to myself (to myself)
I think with my heart, I love with my head
Oh na, na, na, na
I don't wanna add another regret
You're always on my mind
Like every single night
I tried to say goodbye, bye
You're my favourite lifeline
I need all the time
I tried to say goodbye, bye
But you're always on my mind
Ah, ah, ah
But you're always on my mind
Ah, ah, ah
But you're always on my mind
Why I always see your silhouette
In strangers I don't even recognise? (Don't recognise)
Scared of things that haven't happened yet
I don't know why I do this to myself
I think with my heart, I love with my head
Oh na, na, na, na
I don't wanna add another regret
You're always on my mind
Like every single night
I tried to say goodbye, bye
You're my favourite lifeline
I need all the time
I tried to say goodbye, bye
But you're always on my mind
Ah, ah, ah
But you're always on my mind
Ah, ah, ah
But you're always on my mind
You're my favourite lifeline
I need all the time
I tried to say goodbye, bye
But you're always on my mind
Ah, ah, ah
But you're always on my mind
Ah, ah, ah
But you're always on my mind
