

# Inna, Cola Song (feat. J Balvin)

We got that Coca-Cola bottle shape shape shape  
We got that sugar, do you wanna taste taste taste?  
We take it all around the Globe,  
Baby everywhere we go make it hot when mama arrives  
Shake! shake! Shake!

Like ooh, you know they wanted  
Ey, andale!  
Ooh, you know we got it  
Aah, smile we say!  
Soy Latina baby  
Soy Latina baby  
OK, let's party! Say Ole!  
Soy Latina y la noche we own it baby  
OK, let's party! Say Ole! Ole!

I got that Coca-Cola bottle shape shape shape  
But how much Cola can your body take take take?!  
Everytime I come around, oh you know  
It's going down, make it hot when mama arrives  
Shake! shake! Shake!

Like ooh, you know they wanted  
Ey, andale!  
Ooh, you know we got it  
Aah, smile we say!  
Soy Latina baby  
Soy Latina baby  
OK, let's party! Say Ole!  
Soy Latina y la noche we own it baby  
OK, let's party! Say Ole! Ole!

[J Balvin:]  
J Balvin, Inna la combinacion mundial!

Soy Latina baby  
Soy Latina baby  
OK, let's party! Say Ole!  
Soy Latina y la noche we own it baby  
OK, let's party! Say Ole! Ole!
