

Inna, My Crystal Nails

It's raining tonight, yeah
All these diamonds on the dance floor, ye-yeah
It's shining so bright, mmh
Get closer if you want more, want more, ye-yeah

There's something in the air tonight, tonight
I'm gonna do it right, so ri-ri-right

I'mma super rich, I'm mega crystalicious nowadays
I'm the Alpha, the Omega, don't be filling up my space
Got some glitter on my hands, yeah, you know, ladies and gents
Oh yeah, goddamn, take a look at my crystal nails, hah! (Hey)

My crystal nails
My crystal nails (Hey)
My-my-my-my-my
My crystal nails
My-my-my-my-my

I'm coming in hot, yeah
You're watching me like crazy, ye-yeah
I think you're in luck
You can have it almost daily, ye-yeah

I'mma super rich, I'm mega crystalicious nowadays
I'm the Alpha, the Omega, don't be filling up my space
Got some glitter on my hands, yeah, you know, ladies and gents
Oh yeah, goddamn, take a look at my crystal nails, hah! (Hey)

My-my-my-my-my
My crystal nails
My-my-my-my-my
