

# Inna, Yummy

Those hungry eyes  
Tracing my body lines  
All night, baby, you can hide  
Got a sweet tooth, wishing I could feed you, mmm

I got that cinnamon, cinnamon pie  
Watch it dripping down, down my thigh  
Ain't no innocent, innocent mind  
In this club tonight

I know you want my body  
Baby, I'll give you one more taste  
Don't rush and take it slowly  
Can made it all in just one day  
I got a lot of sugar  
That's what you get when you eat cake  
I know you want my body  
Want body, baby, you say

Oh-oh-oh, ta-ra, uh-uh-uh, ta-ra, oh-oh-oh, yummy, yummy  
Oh-oh-oh, ta-ra, uh-uh-uh, ta-ra, oh-oh-oh, yummy, yummy  
Oh-oh-oh, ta-ra, uh-uh-uh, ta-ra, oh-oh-oh, yummy, yummy  
Oh-oh-oh, ta-ra, uh-uh-uh, ta-ra, oh-oh-oh, yummy, yummy

Emergency  
All night long you can eat  
Now took my su-sushi  
Make your heart's keep getting on this to this, mmm

I got that cinnamon, cinnamon pie  
Watch it dripping down, down my thigh  
Ain't no innocent, innocent mind  
In this club tonight

I know you want my body
