

# IRINA ROSS, TARAGOT

Put your hands on my body  
And feeling out of control  
Drink for love baby it`s love  
Yout got me spinning around  
Just like the beat of a sound  
Drink for love baby it`s love

Wanna kiss my boca wanna kiss my boca  
Wanna kiss my boca wanna kiss my boca

I wanna feel your body tonight  
Love that look in your eyes  
Dance to the beat of my heart  
Drove me out of my mind

Taragot /4x

We are the rebels of mine  
Just like the stars to the sky  
Drink for love baby it`s love  
Let thr rinthm get high  
I know you want me tonight  
Drink for love baby it`s love

Wanna kiss my boca wanna kiss my boca  
Wanna kiss my boca wanna kiss my boca

I wanna feel your body tonight  
Love that look in your eyes  
Dance to the beat of my heart  
Drove me out of my mind

Taragot /4x

I wanna feel your body tonight  
Love that look in your eyes
