

# Iron Maiden, Empire Of The Clouds

It's cost me a fortune  
Track to track  
.. it's true

...  
Looking form town to town for you  
You know you've never

...  
You know I'm going get you back  
Just wait and you'll see

I never going back on my knees  
I know you never go back home  
I never going back on my knees  
Never it all!

It's been a long time  
Since I've traveled the world

...  
Yes, ...  
Stay over you  
Living in ...  
So lonely now  
I don't know how to get you back

I never going back on my knees  
I know you never go back home  
I never going back on my knees  
Never it all!
