

Iron Maiden, Empire Of The Clouds

It's cost me a fortune
Track to track
.. it's true

...
Looking form town to town for you
You know you've never

...
You know I'm going get you back
Just wait and you'll see

I never going back on my knees
I know you never go back home
I never going back on my knees
Never it all!

It's been a long time
Since I've traveled the world

...
Yes, ...
Stay over you
Living in ...
So lonely now
I don't know how to get you back

I never going back on my knees
I know you never go back home
I never going back on my knees
Never it all!
