Iron Maiden, Empire Of The Clouds

It's cost me a fortune Track to track .. it's true

...

Looking form town to town for you You know you've never

. . .

You know I'm going get you back Just wait and you'll see

I never going back on my knees I know you never go back home I never going back on my knees Never it all!

It's been a long time Since I've traveled the world

. . .

Yes, ... Stay over you Living in ... So lonely now I don't know how to get you back

I never going back on my knees I know you never go back home I never going back on my knees Never it all!
